

How to Develop the Kingdom of God Within Us

Thus saith the Lord, when you were born again, My kingdom came within you and I gave you all the ability to be able to do and say and to walk as My anointed Son did.

But until you are developed and are able to do kingdom business, you are blinded to the truth of what is inside you says the Spirit of God (Joshua 1:8). You must develop the kingdom that is within you. You must understand, without My word inside of you, revelation of that kingdom is not able to come forth. As I told my son Joshua, he was to meditate upon the word day and night. He knew he had the kingdom power within him as he stood against the fiery darts of the enemy when he was given the position as leader and stepped into the position Moses had left him.

I taught him what was of value and I showed him all the things that he should do. Paul even spoke of the spirit of wisdom and revelation in the knowledge of kingdom business that was to be given to the believers (Ephesians 1:17). If you do not allow the kingdom to be developed within you, you can't utilize nor have the blessing that I have made available for you. That is why the world and religious people seek after THINGS

and begin to get into works that do not profit them. They have no time to study to show themselves approved a workman. But you are no longer blinded to the truth of the glorious gospel.

I have given you the KEYS of KNOWLEDGE and I have given you My Spirit. And the Sons of God are now led by the Spirit of the Lord because the Kingdom of God does live and abide mightily in you. He follows you. He follows you to bless you, in the city and in the basket. It is there BUT you must develop everything that I have given you.

That's why it goes back to seeking FIRST the kingdom of God, so that you know and you are developed. A mature man is able to stand against the fiery darts of the enemy because he knows the kingdom of God is within Him. That's why it is very important to develop yourself in the Word of God. HOW ARE WE SPIRITUALLY DEVELOPED? We put on the whole Armour, and pray in the spirit, building yourself up SO you can and will be developed to do kingdom business says the Spirit of God. But many people do not want to do kingdom business because they are unaware of what they have.

They don't know the blessings I want to give them. They don't know what I died for. They don't know about my blood. But you are no longer blinded says the Spirit of God. You are without excuse. No longer shall salvation be a mystery to you for the things that are hidden have

now been revealed says the Spirit of God. And now you know as you develop yourself, as you begin to study, you will be so developed in knowing that when the enemy comes in you will say "no, I know who I am". You will stand up and you will possess what I have given you because it is time says the Spirit of God. The kingdom business is at hand for you to be developed in the things that I have called you to do.

So never think that you can't do it. For greater is He that is in you than he that is in the world. So be developed in doing God's business says the Spirit of the Living God. Go forth says the Spirit of God. Begin to SEEK me. Begin to EXPECT of me. Watch me move. Begin to SPEND TIME WITH me and I will reveal unto you those things that are important and relevant to your life. For you seek after man to get answers to problems in your life when you should be seeking after me.

For I have already come and I have already given you the best of what I have to give says the Spirit of God. And I will reveal unto your heart and unto your spirit that thing that you should do, where you should go, which road you should walk down, which move you should make for your own life. For yes I am within you. When you received my Son, when you received my Word, when you received the Holy Spirit you received the kingdom and it is inside of you. And did not I say that I would go away but I would send the comforter who would

lead and guide you in all truth. So look unto me and EXPECT me to direct you.

Do not be so quick to shun or dismiss what is bubbling up in your spirit says the Spirit of God. Do not be so quick to put down what I am telling you. Do not be so quick to run away from the word. Begin to pursue ME with all vigor and diligence. Begin to read my word with an expectancy that I will speak back to your heart and I will direct you and order your life.

For I know what you have need of says the Spirit of God but I would desire that you would FIRST come unto me and get my counsel, get my guidance, get my authority on things says the Spirit of God, for it is My Word that will instruct and speak to your heart. And when you get that revelation, when a light goes on inside of you, that light that I give to you, that is the revelation that will begin to spring forth from your inner most being. Did not I say that the life was the light of Men.

So when you desire a thing, begin to pursue it. It does not matter what man will tell you about it when you already have My counsel on it. For Satan comes but for to steal, kill and destroy but I have already come that you could have that abundant life. So begin to get into My word and spend time with Me and I will reveal to your heart that road that

How to Develop the Kingdom of God Within Us

you should walk down, that move that you should make, that loan that you should pursue, that husband or that wife that you have need of says the Spirit of God. For I know what you desire and I will begin to lead you by your spirit, which is inside of you.

That is Me inside of you. My Spirit is leading and guiding you, drawing you from the things of this world, but pulling you into the things of the spirit. But yet henceforth the greater revelation is that I desire for you to know My word. And I will speak to your heart and give you instruction and direction about this life but I am drawing you to Me. For there are yet souls that I am drawing you to and when you spend time in my presence I will order your steps and someone will come across your path and you will have a word to give them, you will have hope to offer them. You will show them a future. You will show them joy and peace. It is all by My word. It is through the revelation knowledge that is going to beam up on the inside of you.

So yes the kingdom of God is in you. It is to lead and guide you into all truth but it is also to snatch those that are headed to the gates of hell. It is to snatch them

from the fire and lead them into a repentant life says the Spirit of God. For I will order your words and fashion them and you will speak and you will cause joy to spring forth in a weary soul. You will speak away depression over a person's life. You will begin to declare joy and peace and you will begin to speak health and healing to those that come across your path, because I am going to send them. But I cannot send them when you have no hope to offer them says God. So yes I will send them and you will be able to encourage and you will see souls delivered, you will see souls healed, you will see souls set free and see chains broken off of those that are in bondage, says the Spirit of God. And don't always be so quick to see what you can do out of your pocket but it is out of your spirit that you will do a thing says the Spirit of the living God.
