

**HE'S STILL  
WORKING ON ME!**

For the outward man will perish and He will within a twinkling of an eye, take on incorruptibleness and inherit the kingdom of Heaven. But know that while you are alive, while God is still in the earth, He is desiring with a great love to draw you closer to Him and He is working away. Others in the body of Christ are praying with you and for you. Even those in a foreign country. For you are not a separate entity. You are one, the body of Christ. God loves you so much that He gave Himself, His Son, to you. God has suffered no harm to come to His Son, whom you have received and no harm will come to you. So put a smile on your face because you have the spirit of faith. You walk in light. You have the light. God's word is light. Rejoice, you are lit. You have a great light. Know who you are! For in so doing, you can mount up wings.

# Our Ability to Forgive

## HE DWELLS IN OUR PRAISES

If God tells you that “I, as your God, will not remember **your** sins anymore and says that you are in me and I am in you, how can you continue to see what I no longer see in **someone else**, who is a part of me and you?” For He is a God with such a great love that He has the ability to blot out all your sin, when you ask forgiveness. You have God and He is in you and you are in Him. If you have fault with another, you have the SAME ability in you to blot it out of the eyes of your spirit so that you no longer remember the trespasses that they have done to you. Hear God’s word, for He is not a God that He should lie. You are in Him and he is in you. You have the ability to forgive and forget and see as God sees.

## WHY PRAY FOR YOUR ENEMIES?

Because God has asked you to pray for your enemies, and He has ALREADY FORGIVEN them, they are blessed double, which is a credit to your account in giving. For God is not a God that He should lie and every word that He has written to you is true. You pray for your enemies and as your enemies are blessed, you shall receive your hundred fold out of your treasures in heaven.

\*\*\*\*\*

Everything that what God has written to you is true. His word shall not return unto Him void. For the strong are to bear the infirmities of the weak. The whole need not the physician. So when one is weak in faith, when one is not exercising his right in Christ and forfeits his blessings, He becomes an enemy to you for you are walking in the word and you will not allow the enemy to take from you.

So you see, your brother whom GOD HAS FORGIVEN, you bear him up by praying for him. For in that He has taken from your peace, you are to restore him and receive from God BEFORE you forget His word and faint and grow weary. You remember that God has paid the price for all mankind. Hear and do God’s word in Jesus Holy Name.

## IT IS GOD WHICH WORKETH IN YOU

As the sculptor takes his chisel and hammers away at a rock, you know that in time, beauty will commence, beauty will flourish, beauty will be seen and eyes will feast upon it and say, “well done”. How beautiful are the hands that hammers and chisels away, and forms a beautiful figure: know that God is shaping and chiseling around the perimeter of YOUR figure; NOT the perishable man but He is working on the man inside. You can’t see all the ways that God is hammering away by His Spirit, roaming to and fro, working at all time, seeking and desiring for you to draw nigh unto Him. Know that because God is working from within, YOU must walk by faith.
