Our Goal and desire is the same as that of our Lord Jesus Christ, to fulfill God's end-time calling to enlarge the Kingdom of God, by reaching the multitudes with the gospel of Christ for all levels of our society. We are bringing glory and honor to the Father of our Lord Jesus by teaching and preparing God's people for works of service through the Word and Anointed Worship, through the manifested presence and revelation power of the Holy Spirit.

Ministering the truth of God's Word in the power of the Holy Spirit!

"The word is nigh thee says the Spirit of God, even in your mouth and when you declare the word expect circumstances to change."

Word of the Lord On Fasting

- 8\17\03

Fasting Series

The word is nigh thee says the Spirit of God, even in your mouth and when you declare the word expect circumstances to change.

But you must allow the word to work well within you. You must partake of the word and let the word go down in you and come up out of you with power and anointing. For I and the word, we are one and we are life and we are power. And when you are established on the word, the enemy will begin to tremble because you will not speak vain words but you will speak with power and authority says God.

So as you fast and as you pray, partake of the word. It will go in you and it will strengthen you and it will keep you and it will establish you.

And renew your mind (thru meditating on it) daily says the Spirit of God. For the enemy battles you in the mind. And as you begin to partake of the word and allow the word to go down in you it will develop you and you will take authority over every evil thought that is sent from the powers of darkness.

So remember, the battle is in the mind AND in the atmospheric realm. For the enemy comes to destroy you.

And when you allow him to challenge you and you allow him to put those thoughts in your mind, they go into your heart and they produce negative things says the Spirit of God.

So this week, this day, you will begin to stand fast on the word and you will send the enemy where he belongs and that is under your feet. You will take the authority that I have given you, you will speak with a power and an anointing, and you will see results and changes in your mind and you will stand fast on the word and

you will allow the word to establish you. And yes, you will be fully persuaded because I and the word are one. When you partake of the word you partake of me and that is your strength says God.

So this day know that I am in the midst of thee. I am ordering thee to begin to fast. I am telling thee that thou must fast. I am telling you that you must stand. You will not say it is not for me but when I send you a word and you receive it not, you cause doom and gloom and damnation upon your self says God. So I do not send you the word to cause you to fear but I send the word to establish you. And I will say this week concentrate and know that I am in the midst of thee and that I send thee an order and I command you this day to fast and pray says the Spirit of the living God.
